Be it enacted by the General Assembly of the State of Delaware (two-thirds of all members elected to each House thereof concurring therein):

Section 1. Paragraphs 1 and 2 of Section 2 of Article II of the Constitution are hereby amended to read:

The House of Representatives shall be composed of thirty-five members, plus such additional members as shall be provided pursuant to Section 2A of this Article, who shall be chosen for two years. The Senate shall be composed of twenty-one members, who shall be chosen for four years.

The State is hereby divided into thirty-five Representative Districts. There shall be such additional Representative Districts as shall be provided pursuant to Section 2A of this Article. From each Representative District there shall be chosen, by the qualified electors thereof, one Representative.

Number Seven, at Large. The third, fourth, sixth, ninth and tenth Representative Districts.

Section 3. The following words are added following the words “Number Five. The Ninth and Tenth Representative Districts”, in that part of Article II, Section 2 of the Constitution dealing with the Senatorial Districts in Sussex County:

Section 4. The following words are added immediately following the words added by Section 3 above:

Section 5. The following new Section 2A is added to Article II of the Constitution, immediately following Section 2:
Section 2A. In addition to the existing 35 Representative Districts as set forth in Section 2 of this Article, there shall be additional Representative Districts as hereafter provided.

Each existing Representative District as set forth in Section 2 of this Article, with a population residing therein in excess of 15,000, as shown by the last official federal decennial census shall be entitled to one additional Representative for each additional 15,000 population or major fraction thereof residing within the District.

Upon any Representative District, as set forth in Section 2 of this Article, being entitled to more than one Representative, it shall be sub-divided into new Representative Districts for each additional Representative to which it is entitled, from which shall be chosen by the qualified electors thereof, a Representative.

After each official federal decennial census the new Representative Districts created pursuant to this Section shall be abolished and the Representative Districts set forth in Section 2 of this Article shall again be re-divided as set forth herein.

The sub-dividing of the Representative Districts as set forth herein shall be done by a Redistricting Commission, consisting of the Governor, as Chairman, and the State Chairman of the two political parties receiving the largest vote for Governor at the preceding election for Governor as advisors to the Governor. Redistricting and reapportioning by the Commission as set forth herein shall be accomplished in accordance with the following criteria: Each new Representative District shall, insofar as is possible, be formed of contiguous territory; shall be as nearly equal in population as possible to the other new districts being created within the existing Representative District; shall be bounded by ancient boundaries, major roads, streams, or other natural boundaries; and not be so created as to unduly favor any person or political party.

Within 120 calendar days following the official reporting to the President of the United States of each decennial census, (or within 120 calendar days after this amendment takes effect) the Governor, on behalf of the Commission, shall file with the
Secretary of State the plan for redistricting and reapportioning as provided for herein. Forthwith, after the filing, the Governor shall issue a proclamation of redistricting and reapportioning. The Secretary of State shall cause such proclamation to be published in two newspapers of general circulation within the State for two consecutive weeks, within 20 days after the issuance of the proclamation. The proclamation shall become effective within 30 days of its issuance.

Any qualified voter may apply to the Superior Court to compel the Governor, by mandamus or otherwise, to perform the redistricting and reapportioning duties or to correct any error in redistricting and reapportioning. Application to compel the Governor to perform the redistricting and reapportioning duties must be filed within thirty days of the expiration of the 120 days allotted to the Commission to file its plan, if such plan is not timely filed. Application to compel correction of any error in redistricting and reapportioning must be filed within thirty days following the proclamation. Original jurisdiction in these matters is hereby vested in the Superior Court. On appeal, the cause shall be reviewed by the Supreme Court upon the law and the facts.
